There were a lot of reason's he wanted to hold hand's with his boyfriend, one was Felix knew Sean was slipping away, they had a huge fight about the fact that Felix wouldn't tell his fan's he was with Sean. He knew the bro's... well at least a majority wouldn't care, they would just shrug it off and go "okay pewd's we love you no matter what". He wasn't gay, at least he didn't think so, he never really looked at boy's, but dating Sean didn't exactly make him the straightest guy on the earth. Felix had decided when he stared dating Sean a month ago that he was human,`

that happened to fall for someone with the same parts as him.p

He hadn't told Sean what he was planing to do, but Sean had already told his fan's he was dating a boy, not Felix, just a guy. Sean's fan's were happy he found someone, and didn't care who it was, and the one's that did care Sean didn't pay attention to. Felix nervously reached down and grabbed his hand, something that he had forced Sean to do in secret until that moment. Sean looked up at Felix with a confused look.p
